Skills

- **Languages**: C++, JavaScript, C, Python
- **Frameworks**: HTML and CSS, Pandas, Scikit-learn
- **Tools/Platform:** MySQL, Google Colab, Kaggle
- **Soft Skills**: Problem-Solving Skills, Disciplined, Adaptability

Projects

BMI Calculator – Personal Health GitHub Feb 2025

- Built a simple and easy-to-use BMI calculator that helps users quickly check their Body Mass Index with accurate, real-time results.
- Added proper input validation and instant recalculation to ensure error-free output even when users modify values repeatedly.
- Displayed clear health categories like underweight, normal, overweight, and obese to enhance user understanding of their fitness level.
- Focused on a clean, responsive UI and smooth calculations to improve the overall user experience and reduce confusion for beginners.
- Included subtle UI enhancements such as automatic field resets, clean alignment, and organized result formatting for higher clarity.
- **Tech:** Python, HTML, CSS, JavaScript

Job-Seeking Website – Career Search Platform GitHub Feb 2025

- Created a job-seeking website where users can search and apply for jobs based on skills, keywords, and location, allowing for a personalized job discovery experience.
- Added secure login/signup functionality, a recruiter dashboard for posting jobs, and dedicated profile pages for applicants to manage their details and applications easily.
- Improved the search and filtering system using optimized keyword matching, resulting in more accurate and relevant job recommendations for users.
- Enhanced overall platform performance by speeding up page loading, improving navigation flow, and designing a cleaner, more intuitive UI layout.
- Integrated structured job categories, clear posting formats, and organized application tracking to make the platform more user-friendly for both recruiters and job seekers.
- **Tech:** HTML, CSS, JavaScript, Python (Flask), SQL

Certificates

- C Programming – Neocolab certificate Dec 2024
- Object oriented programming - Neocolab certificate Dec 2024
- Completion of DSA in C++- Neocolab certificate Dec 2024
- DSA summer boot camp- Neocolab certificate July 2025

Achievements

- **Participated & Scored well in Internal Hackathon** Mar 2024
  Secured a top 15 position in an internal LPU coding and hackathon Challenge with 200+ participants.

Education

- **Lovely Professional University** Punjab, India
  Bachelor of Technology - Computer Science and Engineering; ***CGPA: 5.80*** *Since Aug 2023*
- **Scholars Academy** Pauri Gharwal, Kotdwara
  Intermediate; ***Percentage: 62%*** *Apr 2022 - Mar 2023*
- **Scholars Academy** Pauri Gharwal, Kotdwara
  Matriculation; ***Percentage: 79%*** *Apr 2020 - Mar 2021*
